Experience

Poona Panjarpole Trust, Digital Development Intern ([Certificate](#))

May 2025 – July 2025

- Designed and developed the official NGO website using HTML, CSS, and JavaScript.
- Created and managed social media profiles on Instagram and Facebook to improve online presence.
- Increased audience reach through consistent content creation and visual design using Canva.

Projects

YouTube Shorts & Instagram Reels Downloader | *HTML, CSS, JavaScript, Python Flask*

2025

- Developed a web-based application that allows users to download YouTube Shorts and Instagram Reels using URL-based input.
- Implemented backend logic using **Flask** for media fetching and file handling, with a responsive frontend in HTML, CSS, and JavaScript.

Website for Poona Panjarpole Trust (NGO) | *HTML, CSS, JavaScript, Canva*

2025

- Designed and developed a responsive website for an NGO to showcase its mission, activities, and contact information.
- Improved the organization's online presence and accessibility through structured layout and optimized content.

Personal Portfolio Website | *Nextjs, Tailwind, CSS, HTML, JavaScript*

2026

- Built a personal portfolio website to showcase projects, technical skills, and contact information.
- Implemented responsive design and smooth navigation for better user experience across devices.

Gym Website (Demo Project) | *HTML, CSS, JavaScript*

2026

- Developed a demo website for a gym featuring sections for services, membership plans, and contact details.
- Focused on clean UI design and layout structure to simulate a real-world business website.

Leadership & Activities

Poona Panjarpole Trust | *Team Lead – Digital Development Intern*

2025

- Led a team of **5 members** to design and develop the NGO's official website and manage its digital presence.
- Coordinated task allocation, monitored progress, and ensured timely delivery of web and social media initiatives.

College iOS Application Project | *Project Contributor*

2025

- Assisted in leading the development of a college-based iOS application as part of an academic project.
- Collaborated with peers to implement application features and improve overall usability.

Achievements

- Successfully completed a **Digital Development Internship** at Poona Panjarpole Trust, delivering a production-ready NGO website and managing its digital presence.
- Led a team of **5 members** to execute web development and social media initiatives for a non-profit organization.
- Built and deployed multiple full-stack and frontend projects including a **YouTube Shorts & Instagram Reels Downloader**, NGO website, and personal portfolio.
